Hi Renee,

Please understand the UHRC's efforts are not limited to coordinating HOPE Teams. While it may be true that you schedule CSLA cleanups, our office has been very clear with Enrique and other General Managers that our expectation is for the UHRC to be able to direct and coordinate resources across departments, sections, and teams. We appreciate your cooperation with our critical efforts to break down traditional silos of operation and facilitate greater cooperation and collaboration between City partners.

If you have questions or issues with any of the above, I'm happy to discuss with you further offline.

Thanks.

Brian

Hi Salvador,

Thank you, the Council office has already asked that this location be cleaned on their next CSLA day. I coordinate the CSLA cleanups and I have asked the council office to work only on HOPE team locations with the UHRC.

Much Appreciated,

Renee

Hi Renee,

The Council Office is requesting a CSLA cleanup at Venice Blvd / Globe Ave. We currently have a cleanup pending (Authorization No. 181119010). Can we schedule this on the next CD 11 date, December 5th?
